- General Maths
  90 mins + 5 mins perusal
  Approx. finish 11:05am
- Math Methods
  90 mins + 5 mins perusal
  Approx. finish 11:05am

Attendance

* Year 10 students are only required to attend school on these two days for their scheduled exam. There are no other scheduled classes for Year 10 students on Monday or Tuesday.
* Year 10 students in the Leap program are not expected to attend if one of these areas do not apply to you.
* Students who usually attend TAFE or other external providers on a day an exam is scheduled must attend their timetabled exam. The student is responsible for communicating this absence to their learning provider/employer.

Equipment

* Students must bring all required equipment from home, including a scientific calculator for all Mathematics exams (note: graphics calculators are not allowed). There will not be sufficient spare stationery to loan (e.g. rulers, pens, pencils).
* Students should bring stationery and other equipment in a clear plastic case / container. Equipment (including calculators) will be checked upon entry to the examination venue.

On the day

* Students should arrive at the MPH by 9.00am. Exams start at 9.30am; finish times are approximate.
* Alternative seating exams (AARA) will be held in W03/G07.
* Students should bring their student identification card to each exam and place it on their desk. This assists with roll marking and minimising disruptions to students during exams.
* Year 11 examinations will also be taking place in the Hall. Year 10 students must enter and leave the MPH quietly and respectfully, particularly when moving near the Hall.
