

Senior Secondary Subject Selection

Year 10 into Year 11

A Community of Forward Thinkers

Ross Muir
Deputy Principal – Year 11-12

THE MESSAGE

Choose subjects that you enjoy
and are good at with consideration
for future pathways.

THE MESSAGE

Your Year 11 subject selections matter.

CHOOSE YOUR BROAD PATHWAY FIRST

- ATAR with 6 General Subjects
- ATAR with 4 or 5 General Subjects + Applied and VET
- VET non-ATAR pathway
- International Baccalaureate

STUDENTS WILL CHOOSE

1. One or two English Subjects

- English
- Literature (can be taken with English or on it's own!)
- English as an Additional Language
- Essential English (*Applied*)
- International Baccalaureate English

STUDENTS WILL CHOOSE

2. Either a Mathematics Subject or a Short Course in Numeracy

- General Mathematics
- Mathematical Methods
- Specialist Mathematics
- Essential Mathematics (Applied)
- Mathematical Methods Acceleration (pre-existing Mathematics and Engineering Acceleration students)

STUDENTS WILL CHOOSE

3. Four or Five other subjects, but:

- IB students must choose a subject from each IB grouping

STUDENTS WILL STUDY

Six subjects, three times a week + Year 11 Connect program

Many students will be able to access Home Study in Wednesday Period Four.

Some students will choose:

- Cisco OR Aviation as Seventh Subjects to start with (Wednesday afternoon)
- Some VET offerings

Some students will require:

- Additional assistance with Mathematics or General Studies
- Students who study EAL will attend tutorials

YEAR 11 2023

- Second year of Senior Secondary
- Subject results determine pathways, Year 11 subjects have required and advised results.
- Subject changes in Year 11 are very limited.
- Students will be the fourth cohort in the Queensland's new Senior Assessment and Tertiary Entrance system

- "Studying **Film** at Indooroopilly helped me realise that my passion was in writing and directing for the screen and it motivated me to pursue study in this field (Caitlin Soennichsen, 2015)
- "Explore diversity in the courses you chooses in senior years. You really never know what skills you'll end up taking from your classes – e.g. **Ancient history** source critique helped with **Biology** at undergraduate level" (Shahmir Ali, 2015)
- "I found that the **Economics** and **English** classes I took in high school have provided an excellent foundation for my other Arts major – Public Policy" (Maya Lamont, 2018)

THE MESSAGE ...

Choose subjects that you enjoy
and are good at with consideration
for future pathways.

Julie Peters
Charlotte Moore
Year 10 Guidance Officers

THE MESSAGE...

We want our students to leave us with:

- Resilience
- Confidence
- A well researched and considered education
- A range of opportunities available to them

RESEARCH SHOWS...

Focusing on strengths leads to success

Encouraging students to focus on their strengths will result in an improvement for the areas students do well in AND the areas where they experience challenges.

MAKING THE RIGHT CHOICE

Our Year 10 students have a unique opportunity to try out subjects that align with their strengths.

You have discovered what you don't like and what you're not good at ahead of choosing your Year 11 and 12 subjects.

Subject changes in Year 11 are minimal!

SOMETHING TO CONSIDER

At this late stage in Year 10 do you find yourself in a subject that you don't like or aren't good at?

Then CHANGE the subject now!

CHOICES AND CONSIDERATIONS

Choose
your
pathway
ATAR, VET,
QCE or IB?

Choose
subjects that
you enjoy and
are good at.

Do I choose a
subject
because my
friends are
taking it?

No. Let the
subjects do the
decision making.
The subject
should choose
you.

DON'T CHOOSE AN ANCHOR

What is an Anchor?

Any subject a student takes that they do not enjoy, have low aptitude for, and will therefore pull down their overall ATAR.

Students often select these subjects because they are pre-requisites for university courses. In order to gain entry into these courses students need to meet the other entry requirement (ATAR) which the anchor subject may prevent the student from achieving.

COMMON MISTAKE

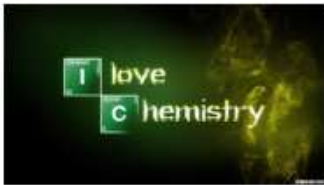

Choosing a subject solely because it is a prerequisite for a specific career

Entry to courses at tertiary institutions is often competitive and selection is usually based on how an applicant has performed OVERALL in their subjects in comparison to other applicants for the same course.

CHOOSE SUBJECTS THAT...

You enjoy!

You believe
you will
achieve well in

Are
meaningful for
you

Are
prerequisites
for realistic
courses you
might be
considering

SUBJECT CONSIDERATIONS

Students will select:

- An English and a Mathematics Subject or a Short Course in Numeracy
- In addition Students choose 4 or 5 subjects from our wide array of electives outlined in the Senior Handbook.

THE MESSAGE

There are many pathways to success and a meaningful career after school.

If you have any questions about subject selection please book an appointment to speak to myself or one of the other members of the guidance team.

Ross Muir

Deputy Principal – Senior Secondary

Smorgasbord Subject Selection

Year 11 2023

A Community of Forward Thinkers

1. Smorgasbord

- “Survey”
- Students indicate 6 subject preferences
- Used to build line structure for final selections

2. Subject Selection

- Students select 6 subjects from the line offerings
- Changes via paper form in T4 subject change ‘window’ TBA

3. Confirmation

- Final subjects confirmed late T4

QCAA Students

THURSDAY 28 JULY	Smorgasbord opened in <u>OneSchool</u>
WEDNESDAY 3 AUGUST	Smorgasbord closes 9.00am All students express interest in the subjects that they wish to study in 2023 to 'build' the 2023 lines / timetable.
MONDAY 8 AUGUST	Subject Selection on lines (final) opens via <u>OneSchool</u>
MONDAY 15 AUGUST	Subject Selection on lines (final) closes 9.00am All students must select and confirm six subjects available within the approved line structure to confirm subjects for Year 11 in 2023.

IB Students

**THURSDAY
28 JULY**

Subject Selection on lines (final) opens via OneSchool

**MONDAY 8
AUGUST**

Subject Selection on lines (final) closes 9.00am

All students must select and confirm six subjects available within the approved line structure to confirm subjects for Year 11 in 2023.

Complete your initial subject selection below. Do this before your Senior Education and Training Plan meeting. Make sure you read the instructions and steps outlined below. Selecting courses and subjects does not guarantee enrolment and alignment to your pathway plan will be considered. This information is used to inform the timetable and class structures. Human and physical resources may impact on what courses and subjects you can be offered.

- *Students selecting the IB must complete the IB subject selection, NOT this smorgasbord selection
- *You must select six subjects including at least one English subject.
- *If you do not study Mathematics you will be required to take a numeracy course in Year 11 at school in the afternoon
- *Math Methods Acc is ONLY for existing Maths Accel. students
Spanish Acc. and Chinese Acc are ONLY for existing Spanish Imm. or Chinese Accel. students
- *Students intending to study a language external to the school through Distance Education must choose the School of Distance Education as a subject. List the language you will study in the notes section
- *CISCO, Flight Training or Cert II Hosp. on Line 7 may be studied as a 6thor7th seventh subject. Only one subject can be studied on Line 7. If you plan to study a Ln7 subject as a 6thor7th subject, select 6 subjects and state the Ln7 subject you are interesting in studying in notes

Please choose 6 subjects from the list below.

- To be eligible for an ATAR, a student must have
- satisfactorily completed an English subject
 - completed five General subjects, or four
 - accumulated their subject results within
- For further information, refer to the QTAC website

Subject Selection - Smorgasbord

English	Mathematics	Science	Humanities and Social Sciences	Health
<input type="checkbox"/> English (General)	<input type="checkbox"/> Essential Mathematics	<input checked="" type="checkbox"/> Biology (General)	<input type="checkbox"/> Accounting (General)	<input type="checkbox"/> Physical Education

Read and follow the student instructions carefully.
It notes important information for students about some subjects / programs (e.g. Spanish Immersion, Chinese, Music and Maths Acceleration, Aviation, CISCO, School of Distance Education, etc.)
