* Students are only required to be in attendance when they have a scheduled exam.

* There are no clashes in this exam timetable but please note that students with a clash for a VET subject catch up session are to attend their scheduled non-VET subject exam in the first instance.

* Alternative seating exams (AARA) will be held in M02.

* Students who usually attend TAFE or other external providers on a day an exam is scheduled must attend their timetabled exam. The student is responsible for communicating this absence to their learning provider/employer.

* Students should access the External assessment equipment list at <https://indooroopshs.eq.edu.au/curriculum/exam-timetables> for information about approved and / or required equipment.

Where particular equipment is required (e.g. coloured pencils, headphones) teachers will advise students in class.
