Indooroopilly State High School
Parents & Citizens Association
Scholarships and Awards
Application Guidelines (Parent copy)

Indooroopilly State High School offers a rich curriculum that embraces a range of competitions and challenges in the academic, sporting and cultural fields. We actively encourage and support the participation of our students in these endeavours. The Parents and Citizens Association recognises that there are costs associated with selection in representative teams, competitions etc, participating as individuals representing Indooroopilly State High School. Accordingly, the P&C offers support to participants through the Parents and Citizens Association Scholarship & Awards program. This is an endorsement of the value we place on the provision of a challenging and rewarding education provided at Indooroopilly State High School.

The scholarship program has a set yearly budget, so that the amounts awarded to each applicant each year may **vary** depending on the number of applicants each year.

The Scholarship provides support at four levels of representation; regional, state, national and international. The following criteria apply for successful application.

- The application must be submitted on official application form and forwarded to the Indooroopilly State High School P&C Association within two weeks of completion of event. This will then be presented at the next meeting, and notification of the success of the application will follow.
- All financial commitments to the school must have been fulfilled.
- Only one scholarship for assistance will be granted each calendar year.
- The applicant must be able to demonstrate support from the school through endorsement by school administration.
- The applicant must have gained selection to represent the school through an official selection process.
- A report will be submitted to the P&C, outlining event results/outcomes etc, which will be published in the school Newsletter.

Where there is a *high number of* applications for scholarships such that the total to be disbursed would exceed the amount budgeted by the P&C, distribution of funds will be made proportionally, based on the level of representation as follows:

Should the application for support be successful, the following financial amounts apply:

LEVEL	PROPORTIONAL UNITS	An amount up to
Regional	1	\$50
State in SE Qld	3	\$150
State outside SE Qld	5	\$250
National in SE Qld	6	\$300
National outside SE Qld	10	\$500
International		At discretion of P&C

Decisions about the scholarship amounts will be finalised in Oct for the preceding year and recipients will be advised.

Exceptions will be at the discretion of the P&C. Contact the President: pandc@indoorooshs.eq.edu.au

State outside SE Qld	5	\$250
National in SE Qld	6	\$300
National outside SE Qld	10	\$500
International		At discretion of P&C

Calculation of the proportional value of 1 unit will be through dividing the total amount available by the number of units. The total available budget will be determined by the P&C each year.

EXAMPLE:

20 Regional applications $20 \times 1 = 20 = \$1000$

20 State (SE Qld) $20 \times 3 = 60 = \$3000$

10 State outside SE Qld $10 \times 5 = 50 = \$3000$

2 National outside SE Qld $2 \times 10 = 20 = \$1000$

TOTAL = 150 units TOTAL = \$8000 Available funds is \$6000, divided by 150 = \$40/ unit.

So the value of a regional scholarship would be \$40; State SE Qld \$120....etc.

Exceptions will be at the discretion of the P&C.
