

Dear Parent/Caregiver

Re: Year 7 Student Resource Scheme - 2021

Indooroopilly State High School for many years operated a Student Resource Scheme that is supported by the school community and endorsed by our P and C Association. Our scheme has offered a cost effective alternative to purchasing resources elsewhere, through reduced prices gained from the school's bulk purchasing practices.

As a result, the scheme has been able to provide outstanding resources to all students to enhance student learning outcomes. The scheme ensures that students have consistent resources for their education and saves parents time and money.

All revenue collected through the scheme is applied directly to the operation and provision of student resources. The scheme does not raise funds for any other purpose. It is a requirement of the Department of Education that the Participation Agreement Form is completed and signed, and returned by a Parent or Caregiver. This should be done irrespective of whether or not you wish to join the scheme, as indicated by ticking either the "Yes" or "No" box on the form.

Parents are now able to participate in the scheme for the duration of their student's enrolment at our school, saving the need to return the Agreement Form each year. You are able to opt out in any year by advising our Administration Office before the invoice due date.

To minimise the impact of the SRS costs, parents are able to negotiate an instalment plan so that payments can be spread across the year. If you would like to discuss this option, or have any questions about the Scheme, please contact me or Executive Business Manager, Samantha Jeffs.

We look forward to your participation in this scheme, and value the opportunity to provide this service to parents and students.

Lois O'Reilly

Executive Principal
