Subject Selection: Year 9 into 10

Year 9 into 10 students must complete two compulsory subject selection processes:
1. **Smorgasbord selection** (a 'survey' where students preference subjects to determine numbers and best-fit final line structures)
2. **Final subject selections** (students select their subjects for the next school year from the final line structures)
Smorgasbord selection dates

Thursday 27 July	**Year 9 into 10 Smorgasbord selection opens**
Tuesday 1 August	**Year 9 into 10 Smorgasbord selection closes at 9.00am**

Subject selection dates

Tuesday 8 August	**Year 9 into 10 Final Subject Selection opens**
Monday 21 August	**Year 9 into 10 Final Subject Selection closes at 9.00am**

OneSchool subject selection

Students complete smorgasbord and subject selections online via OneSchool. (https://oslp.eq.edu.au)

Students should select subjects with consideration of the Senior Course Guide and pre-requisites available on the ISHS website at https://indurooshs.eq.edu.au/curriculum/senior-secondary

Students must select the following tabs to complete the subject selection:
1. My Education Plan
2. Subject selection (If the sentence, *Click **here** to select new model*, appears on screen, click **here**, check the circle beside the Year level model, click **Save**)
3. Click Edit
4. Check the square beside each of the subjects you wish to study.
5. Click the **save** button

Year 9 into 10 2024 Students

- All students choose 6 subjects

- Students must select at least one English option

- Students must select at least one Mathematics option

- Then select any 4 other subjects

- Students who have expressed interest in the Leap program should select the subject/s they wish to leap as one of their 6 subjects. Students wishing to leap Aerospace Systems should select 6 other subjects and indicate their preference study to Aerospace Systems in the notes section.

- Mathematics Methods Acceleration is only available to existing Mathematics Acceleration students. Existing Mathematics Acceleration students should select Mathematics Methods Acceleration.
