School overview

Indooroopilly State High School is located in Brisbane's inner western suburbs, 7 kilometres from the city and 2 kilometres from the University of Queensland. Our school is guided by four core values: each person's dignity; our community's diversity; open communication; and quality learning. Our vision of ourselves as a community of forward thinkers is reflected in all aspects of school operations. We have created a learning community that is constantly evolving and re-shaping itself. We believe that each of our students has the ability to learn, and the right to do so in a safe and supportive environment. Classroom activities foster healthy relationships and inspire mutual respect and learning, resulting in excellent academic outcomes. Our school has attained both Council of International Schools and International Baccalaureate Organisation accreditation. This has significantly enhanced the global and future prospects of our students. We are a school for young adults who are encouraged to think responsibly, independently and creatively as both individuals and world citizens. Our focus on assisting students to develop as responsible individuals is reflected in the absence of a school uniform. Students instead choose their own dress within the guidelines of a dress standard endorsed by our Parents & Citizens Association. The global-mindedness of the school is enriched by the presence of students from some fifty different language groups, a large cohort of international students attracted by our international ideals and tradition of academic achievement. An enrolment management plan restricts the student cohort to 2140, which enables the maintenance of a learning environment that fosters cohesion and student well-being. In recent years the school has significantly enhanced students' tertiary and employment pathways through the introduction of a range of specialised and innovative programs, including the International Baccalaureate Diploma, Spanish Immersion, Chinese Acceleration, Maths Acceleration, Mechatronics, Engineering, Aviation, Aerospace Studies, Cisco Networking Academy and a renowned Arts program. Significant investment in Information and Communication Technologies with wireless connectivity has enhanced student engagement and enjoyment. Major new facilities include an Innovation and Design Centre, the Multi-Purpose Hall with three full sized basketball courts, The Peter Doherty Theatre, named in honour of graduate student and Nobel Laureate for Medicine, Professor Peter Doherty, and a state-of-the-art Languages Centre. These structures complement the older 'Queenslander' style buildings and multi-level topography replete with native trees and gardens. Our school community is committed to supporting our students to excel in their academic, cultural, service and sporting pursuits. We are proud members of Queensland's State education system and take pride in our students' development as contributing, caring and creative members of a future society that will be theirs to shape.

Social climate

Respectful relationships education

To support students' learning, health and wellbeing all state schools are required to implement respectful relationships education through the Prep to Year 10 Australian Curriculum: Health and Physical Education and/or through school pastoral care programs across Prep to Year 12.

Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys. In response to the COVID-19 health emergency, the annual school opinion surveys of students, teachers and staff were not administered in 2020. A new time series started in 2021 and data from this collection is not considered directly comparable with earlier collections due to significant methodology changes.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2019	2020	2021
Short suspension	159	126	127
Long suspension	5	4	5
Exclusion	4	2	1
Cancellation	5	0	2
Total	173	132	135

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.

Notes

1. The 2020 cohort was the first to complete Year 12 under the new senior assessment and tertiary entrance system. The new system has redeveloped senior syllabuses, strengthened school-based assessment, introduced a common external assessment in each senior General subject area and General (extension) and replaced the OP rank with the Australian Tertiary Admission Rank (ATAR). This represents a break in time-series for the Queensland Certificate of Education.
2. ATARs are calculated by Queensland Tertiary Admissions Centre (QTAC). ATAR data is not held by the department.
3. Prior to 2020, visa students (students who are not Australian citizens or permanent residents of Australia) were excluded. From 2020 visa students are included.
4. Data for each year is the latest available.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

Next Step – Post-school destinations

The results of the 2022 *Next Step* post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2021), will be uploaded to this school's website in September 2022.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://indoorooshs.eq.edu.au>.

Post-school destinations information is also available via the [My School](#) website.
