ENROLMENT AGREEMENT

The Instrumental Music Program provides tuition during school hours on Woodwind, Brass, Percussion and String instruments. The program has three components: tuition, ensemble and home practice. Tuition takes place in school time, in small groups of 2-8 students on similar instruments or ability levels. The ensemble component is provided outside of school hours or during the lunch hour. Students also required to practice their instrument at home to build their skills. All three components are compulsory and are needed to be successful in this program. Semester reporting is provided to parents and students on levels of achievement and participation in the IM program. Music teachers will be in contact in Term 1, Week 2 with a student timetable, ensemble information and/or rehearsal times and locations. A subject levy applies to the program to support the purchase of sheet music, equipment and consumables. The levy is non-refundable and can be paid via invoice generated mid Term 1.

Students may wish to enrol in the Co-curricular Music Program in addition to the Instrumental Music Program. The Choral Ensemble Program holds weekly rehearsals for the main vocal ranges and across all levels of singing ability. Senior and Junior Vocal Ensembles are a smaller audition-based group which also rehearses weekly. Contemporary Music Ensemble provides students with the opportunity to rehearse and perform music on contemporary instruments such as piano, guitar and vocals.

The Instrumental and Co-curricular Music Programs runs on a yearly enrolment agreement. Students are required to make a commitment to the program for the entire year. An Instrumental Music Subject Cancellation form is used to formally withdraw from the subject. The subject cancellation will be applied after each semester is finalized.
