- * Year 12 students are only required to be in attendance when they have a scheduled exam.
- * Students will be directed in their learning by their subject teachers during the External Assessment period. It may be the case that this is in the mode of a face-to-face lesson, Microsoft Teams synchronous lesson, group tutorial or other arrangement to support their preparations.
- * Year 11 students in the Leap program are required to attend regular timetabled lessons. For scheduled Year 12 Leap classes, these will be cancelled during the External Assessment period; however, Leap students will still have access to subject teacher support in the lead-up to their scheduled examination (e.g. face to face tutorial lessons in classroom, synchronous Microsoft Teams lessons, small group tutorials). They will either attend these lessons in the Student Centre or in the classroom if directed by their subject teacher.
- * Alternative seating exams (AARA) will be held in W03/V308 (additionally G07 for English and General Maths only). Mr Whitby will send email communication about AARA provisions to students (as well as parents/caregivers) the week prior to exams.
- * Students should access the External assessment equipment list at <https://indooroopshs.eq.edu.au/curriculum/exam-timetables> to identify approved equipment for all assessments. Where specialised equipment is required (e.g. coloured pencils, calculators) this will be communicated by classroom teachers.
- * Students should bring stationery and other equipment in a clear plastic case / container. Equipment (including calculators) will be checked upon entry to the examination venue.
- * In the instance a student is unable to attend a scheduled exam, the school must be notified via Student Services as a phone call and/or email outlining the circumstances in accordance with exam absence procedures. There are no 'catch-up' exams during the External Assessment period. Therefore, any students who is absent for a scheduled exam must provide third party documentation (e.g., medical certificate, bereavement certificate) as documentation to support an 'Illness and Misadventure' application.
