*Year 12 students are only required to be in attendance when they have a scheduled exam.

* Year 11 students in the Leap program are required to attend regular timetabled Year 11 classes during this exam block. For any Leap students who have a Year 12 class that is not running due to Mock exams, they should attend the Student Centre. Roll marking will be updated to reflect the lessons when these students are not in regular timetabled classes due to scheduled exam commitments.

* There are no exam clashes in this exam block.

* Alternative seating exams (AARA) will be held in W03/G07. Mr Begbie will send email communication about AARA provisions to students (and parents) the week prior to exams.

* Students who usually attend TAFE or other external providers on a day an exam is scheduled must attend their timetabled exam. The student is responsible for communicating this absence to their learning provider/employer.

* Students should access the External assessment equipment list at [External assessment equipment list](#) to identify approved equipment for all assessments. Where specialised equipment is required (e.g. coloured pencils, calculators) this will be communicated by classroom teachers.

* Students should bring stationery and other equipment in a clear plastic case/container. Equipment (including calculators) will be checked upon entry to the examination venue.
