STATE HIGH SCHOOL

Term 3, Week 2

WHAT'S NEW IN 2026

WELCOME BACK TO TERM 3!

Welcome back to Term 3. I hope everyone had a wonderful first week back! I'm Jessi-Lee Jones and I'm the new Senior Secondary Administration Officer, while Danelle Spasojevic is on leave. I'm located at Danelle's desk, first door on the left as you enter the Student Centre.

I completed a traineeship at school, while achieving all my QCE points to graduate in Year 12. My VET co-ordinator played a huge role by supporting me, being my advocate with my training organisations and work place, and by finding me the opportunity. Any Indro students who are currently completing traineeships or apprenticeships, please reach out if you have any questions or concerns. Your achievements and wellbeing are our top priorities while you are participating in these opportunities. I'm here to help Indro students get a head start in the careers of their choice.

DEFINITIONS

With our school being so diverse I thought I'd start to add in depth definitions that are relevant to the VET programs here in Queensland and more specifically Indooroopilly State High School.

TRAINEESHIPS

A traineeship is on-the-job training with an employer, while you study and get paid - with a focus on hands-on practical learning over academic theory. It is perfect if you want to get a professional, industry-led qualification at the same time as real-world work experience. School-Based Traineeships (SBTs) are a great way to get a head start on your career by combining paid on-the-job training that leads to a qualification while completing your studies at school.

A traineeship is generally where you will achieve a Certificate I-IV in 1-2 years full-time through a registered training organisation (RTO), such as TAFE QLD.

Careers that generally hire traineeships.

- Childcare
- Retail
- Business - Admin, Accounting, IT and Real Estate
- Hospitality
- Health
- Some Trades

To apply or for more inquiries please email [Jessi-Lee](#) in the Senior Secondary Department.

TAFE AT SCHOOL 2026

TAFE AT SCHOOL IN 2026 - APPLICATIONS ARE NOW OPEN!

A new Career Ready VET in School's program is being developed as part of the Queensland Training Priorities Plan to help school students make good career and training choices, so they can leave school career-ready, informed and confident in what their future holds.

The Career Ready program will replace the VETIS program and will be further developed in consultation with stakeholders and implemented in a staged approach from 2026. If you are interested in doing TAFE in 2026, see Jessi-Lee (first door to the left as you enter the Student Centre).

Open Monday, 21 July 2025

Dear TAFE at School Partners,

We're excited to announce that **Expressions of Interest for 2026 TAFE at School programs** will open on **Monday, 21 July 2025 at 9:00am**.

INDRO STUDENT OPPORTUNITIES

SUBJECT EXPO

Join us at Indro's Subject Expo (SSE) on Tuesday 29 July, from 3:30pm to 7:30pm.

The University of Queensland, Queensland University of Technology, Griffith University, University of Southern Queensland, the Australian Defence Force, Queensland Police Service, and VET providers such as TAFE Queensland, JMC Academy, Blue Dog Training and more will be visiting Indro to showcase their vast study and career pathways.

This is a great opportunity for Indro students and their parents/carers to gather valuable information about our school's diverse subject selection and speak to representatives from renowned tertiary institutions and vocational training programs.

Don't miss this opportunity to hear more about:

- Subject selection information for Years 7, 8, and 9 students
- Year 10 Senior subject and pathways information
- Year 11-12 tertiary course, apprenticeship and employment information
- Q&A session with our partners from the tertiary sector
- Indro Heads of Department, Subject Coordinators and Guidance Officers will be available to answer questions about courses, prerequisite results and pathways

To help plan your evening take a look at the [SSE program](#).
