Student Resources Scheme 2026 Year 9

Dear Parents/Carers,

This letter includes important information about the fees and inclusions for the Student Resource Scheme (SRS). If you have previously opted in to the SRS your participation is assumed for the remainder of your student's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school and you wish to participate in the Student Resources Scheme, please complete the SRS Participation Agreement Form in QParents by 30 January 2026. This information will assist you in making a decision as to whether you wish to participate in the SRS.

What is provided by the Queensland Government?

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents/carers to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents/carers to source the items that their child needs for school and ensures that all students have access to the same standard of resources.

The types of resources that will be included are:

- Owned by the student – e.g. worksheets – once provided, these items are retained by the student and used at their discretion.
- Hired to the student for a specific duration of time – e.g. textbooks or musical instruments these items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.

- Used in class – e.g. stationery, timber, material – these items will be used in class. Finished products that are created from these resources will generally come home with the student.

The Fee

Indooroopilly SHS conducts a Student Resources Scheme as a Flat fee for the Cohort. If you are not satisfied that the SRS fee represents good value for money based on the inclusions (over the page), you may choose not to participate in the SRS. If that is the case, please complete a new Participation Agreement Form, indicating that you no longer wish to participate. If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student. The non-participation costs are attached to this letter

The Textbook and Resource Allowance (TRA)

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students.

For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation as shown in the table below. Thus the SRS invoice you receive will be the full cost of participation in the SRS minus the TRA already held at the school.

Please be aware that there may be two lines of charges on your invoice indicating the GST inclusive and GST exclusive fees depending on the resources supplied by the SRS .

Cost Breakdown

The diagrams below reflect how the TRA has been deducted from the SRS fee for eligible students who have opted in Indooroopilly State High School's Student Resources Scheme

Cost of SRS	TRA	SRS fee due
\$447.00	— \$164.00	== \$283.00

If you have opted to pay the SRS you will receive an invoice for the full amount of **\$283.00**. The invoice for the 2026 Student Resources Scheme will be emailed in Term1, 2026. Once you receive your invoice, payment may be made at any time using BPoint. Your BPoint reference details will appear on your invoice. Payment can also be made via QParents.

Financial Difficulty

If you would like to participate, but are experiencing financial difficulties, please contact the school to arrange an appointment to discuss options. Any information that you provide will be confidential.

Return of hired resources

A repair or replacement cost will be charged to the parent/carer for any items that are damaged or not returned.
