We request submissions of **original** student artwork for both the front and back covers, representing the values and identity of ISHS using the following guidelines:

- Artwork can be in any genre – drawing, painting, photos, any treatment.
- A4 size publication. The artwork can be a back and front cover or one image that spreads across both covers
- It is encouraged that original artworks be scanned rather than photographed.
- Digital image in .JPG or .PNG format in highest DPI possible.
- File naming: First name_student number_artwork title (i.e. JaneSmith_1234567_IndroVibe)
- Digital copy of the **signed Nomination and declaration form (attached)**
- Please note that the addition of the following text will appear on the front and back cover and allowances can be made for this in the design. There is no need to include this text in your artwork as the publisher will place the text around the artwork, but if you feel strongly about including it, you may.
 - **Front cover includes title:** Indooroopilly State High School
 - **Spine includes:** 2026 Yearbook
 - **Back cover includes:** ISHS logo
